

Dear Bruce

I want to thank - you - ever so - much for your most generous Address. I can not think of another thing that has meant so much to me. My children could not believe it. They of course know how much their dad loved everyone. The love that has been returned in so many ways is beyond belief.

I thank you from the bottom of my heart and I know the thanks comes from Jan too.

I wish for you as much love as you have given. God Bless you always
